SHORTS

While your jersey tells your story, your shorts serve as the silent supporters of every sprint, every stride and every slide.

They silently move with you through every challenge, allowing you to stay focused on the game. From the first kickoff to the aftermath moments, they're made for comfort, empowering you to keep pushing forward.

In every match, a silent guardian is standing tall in the goal— an unsung hero who thrives in the spotlight yet embraces the shadows. Because when the players charge down the field, the real tension lies in front of the net.

A soccer field with several players in white and red uniforms. In the foreground, a large, red and white goalkeeper glove is visible, framing the scene. The background shows a green field with trees and a cloudy sky.

GOALKEEPER

LAST LINE OF DEFENSE

It's your moment goalkeeper. As you take your position, you know that every second counts. When the opponent charges and the ball comes at you fast and fierce, years of training, diving, leaping, and refining your instincts come to life. Time slows as you prepare for a splitsecond decision. It's not just about the save; it's about everything that has led to this.

The shadow looms, and the weight of the game rests on your shoulders. When the net ripples, all eyes fall on you. But you can push aside the doubt. As the ball hurtles towards the corner and you stretch with every ounce of strength, your fingertips grazing are just enough to deflect it away

from the goal. With each save you become more than a protector. You're the heartbeat of the team, the reason the crowd holds their breath and the spark that keeps belief alive, even in the darkest times

STRAY DRY **STORM-FIT** Helps keep you comfortable and dry in rain, sleet and snow. The seam-sealed, breathable fabric completely blocks wind and rain penetration at:

- STORM-FIT S** up to 5,000mm of water pressure
- STORM-FIT M** up to 10,000mm of water pressure
- STORM-FIT 3S** up to 20,000mm of water pressure

WASH INSTRUCTIONS

CARE INSTRUCTIONS FOR NIKE TEAM SPORTS APPAREL PRODUCT

Care for jerseys promptly. The sooner you pre-treat and launder the stained clothes, the better your results will be. Don't allow mud or stains to set.

Do not leave wet or dirty jerseys in football or gym bags, where smells and permanent stains can develop.

If a stain is not removed in washing:

- Do not dry it. Dryer heat will set the stain.
- Soak the stain in a pre-wash. In the case of severe staining it may be necessary to apply a stain remover directly to the affected area. Then launder again.
- Do not dry a garment until the stain is removed because dryer heat will set the stain.

Once stain is removed launder as per usual custom.

CARE DEFINITIONS

Pre-treat heavily soiled spots. Apply undiluted laundry detergent with a bleach alternative.

Pre-soak heavy stains. Soak stained items in a plastic bucket or laundry tub with the warmest water safe for the fabric and a good laundry detergent for one to three hours. Sensitive stains should be rinsed in cold water, and then washed with a non-chlorine bleach product.

Pre-wash: Used for heavily soiled garments. Run through the pre-wash cycle with the recommended amount of detergent. When wash cycle is complete, drain the pre-wash solution and launder in the hottest water recommended by the manufacturer.

DISCLAIMER
